Name _____ Date _____ Number of errors _____

DIRECTIONS: Read each sentence one at a time. After you read a sentence have the child repeat the sentence and clap on each word as it is read. Place an X in the box next to the sentence for each incorrect response. Practice with the first sentence.

PRACTICE: Read “*I like milk*” and clap on each word as you do. Say: *I clapped three times because I heard three words in the sentence. The words are I, like, milk. Let’s do it together and as I read the words you clap with me and count the words. Now let’s do the next sentence and as I read the sentence you clap and count each word.*
